ORDER

JESSE M. FURMAN, United States District Judge:

The Court has been informed that the parties reached agreement on all issues in this matter through the court-ordered mediation held on October 5, 2023.¹ The Court commends and congratulates the parties on reaching an amicable resolution. That said, the parties are reminded that, per the Court's Order of July 5, 2023, *see* [ECF No. 88](#), the trial date is a firm date and that it will not be adjourned on account of a settlement in principle. In other words, **unless and until the parties (1) file a stipulation of dismissal or settlement or (2) appear in person to put the material terms of a settlement on the record (and the Court approves the settlement to the extent that such approval is required), all dates and deadlines remain in effect and the parties should be prepared to go to trial as scheduled.**

SO ORDERED.
